Toy Drive Impact:

Good Samaritan Ministries appreciates the gifts donated from Unlimited Youth for its 2022 "Be a Light" marketplace. The gifts donated by Unlimited Youth became part of our toy inventory for a retail-style toy program for the Christmas holiday. The marketplace provided gifts for hundreds of children enrolled in the 2022 "Hope for the Holidays" program. The generosity and support of our community allows Good Samaritan Ministries to provide essential goods and services to our low-income neighbors in need in Northeast Tennessee.
